

Salford QuaysLink

Salford QuaysLink is the handy new number 9 bus service that links Salford Crescent rail station and Salford Shopping City with MediaCityUK and The Lowry at Salford Quays.

As well as being ideal for local journeys, the Salford QuaysLink service connects with other buses from across Greater Manchester at Salford Shopping City; and with train services at Salford Crescent station.

The Salford QuaysLink service is funded by Salford City Council, Transport for Greater Manchester and University of Salford.

Low-carbon buses

Salford QuaysLink buses are diesel-electric hybrid vehicles using less fuel and producing lower emissions than most standard buses.
